Put into Practice...

Take a few minutes to answer these questions with your mum, dad or another grown up.

THE FRUIT OF THE SPIRIT IS FAITHFULNESS. FAITHFULNESS IS STANDING UP FOR WHAT WE BELIEVE IN BECAUSE IT IS THE RIGHT THING TO DO.

1. What are some things you believe in?
2. Describe a situation when people have challenged what you believe in. What did you do?
3. Have you ever wanted to not stand up for what you believe in? How exactly?
4. How does choosing to be faithful make us braver?
5. Why do you think standing up for what you believe in is a good thing to do?
6. Weekly Challenge Question – This week, name a situation when you can stand up for what you believe in even if you get teased for it.

Devotional Time

But Barnabas took him and brought him to the apostles. He told them how Saul on his journey had seen the Lord and that the Lord had spoken to him, and how in Damascus he had preached fearlessly in the name of Jesus.
(Acts 9:27)

Do you have **anyone** in your life with a calming presence? Someone who brings peace and kindness to any situation? Barnabas was one of these people. He had a gentle spirit. Barnabas showed God's gentleness toward Saul, giving him a **chance** when others were resistant to accept him because of his past. In situations where people seemed **agitated** or angry, Barnabas had a calming matter.

The Fruit of the Spirit of gentleness can be an immense gift to others. Gentleness is not just being timid, **tender** or placid. It is being slow to anger, quick to forgive and accepting of those who are **different** than us.

Part of our natural desire when we become **Christians** is the desire to be more like Christ. He infuses us with His gentle character and, because of this, we are able to show that gentleness to others. Part of having gentleness is wisdom and knowing when it is time to take a **step** back before things get heated. Barnabas did this well when he had an **argument** with Paul. Even though they disagreed, he was able to move past it and continue sharing the gospel.

Gentleness is bringing peace to those who are arguing, being careful not to **harm** or offend others, thinking before we act or speak and showing compassion despite the circumstances. **Gentleness** is showing humility. It is thinking of **ourselves** less and, instead, thinking of how we can be kind and compassionate toward others.

Questions to think about:

1. What do you think of when you hear the word gentle?
2. What is true gentleness?
3. How will you respond the next time you are tempted to react in anger?
