

YOUNG ADULTS

Who We Are

BCC Young Adults is a community of young adults seeking to know Jesus deeply, love His Church genuinely, and live faithfully for His glory.

We believe that following Jesus is not something we were created to do alone. We need one another. We need genuine Christian community, a place to ask questions, grow in our understanding of God's Word, encourage one another, and learn what it means to follow Christ in every area of our lives.

Our desire is to build more than a programme of gatherings and events. We want to be a community where discipleship is intentional, friendships are genuine, and our lives are increasingly shaped by Jesus.

Whether you are new to BCC, looking for Christian community, or seeking to grow deeper in your walk with Christ, we would love for you to be part of what God is doing among us.

Our Vision

To make disciples who love Jesus, love His Church, and live faithfully for His glory.

Everything we do flows from this vision.

We want to be a community where our relationship with God is central, where we grow together in Christlikeness, and where our faith is lived out through love, service, and mission.

We believe that discipleship is not confined to a Sunday gathering. It shapes our relationships, our decisions, our work, our character, and the way we engage with the world around us.

Our Ethos: Upward • Inward • Outward

We believe that a healthy life of discipleship moves in three directions.

These are not stages that we complete, but interconnected dimensions of a life lived in Christ. As we mature in our faith, we desire to grow continually upward towards God, inward towards Christlike transformation, and outward towards others.

UPWARD — Communion with God

Everything begins with God.

Before anything we do for Christ comes our relationship with Christ. We were created to know Him, love Him, and live in communion with Him.

Through prayer, Scripture, worship, fasting, and dependence upon the Holy Spirit, we seek to deepen our relationship with God and learn to abide in His presence.

We believe that our lives must flow first from communion with God, rather than activity for God.

INWARD — Christlike Transformation

The Gospel transforms us from the inside out.

Following Jesus means allowing His Word and Spirit to shape not only what we believe, but who we are becoming.

We want to grow in holiness, humility, integrity, love, and obedience, developing lives that increasingly reflect the character of Christ.

This transformation takes place within genuine Christian community, where we can encourage one another, pray together, speak truth in love, and walk alongside each other through every season of life.

Our desire is not simply to know more about Jesus, but to become more like Him.

OUTWARD — Service & Mission

A life transformed by Jesus naturally turns outward.

Our faith is not intended to remain within the walls of the church. We are called to love others, serve faithfully, show mercy, live generously, and share the hope of the Gospel.

We want to be young adults who actively participate in the life and mission of the Church, use our God-given gifts to serve others, and reflect Christ wherever He has placed us.

Whether in our workplaces, universities, friendships, families, or wider community, we desire to live as faithful witnesses of Jesus.

We are not simply called to receive, but also to give; not simply to grow ourselves, but to help others follow Christ.

Our Pathway: Belong • Abide • Grow (B.A.G)

Our heart is that every young adult who becomes part of this community would experience three things: genuine Christian family, a deepening relationship with Jesus, and intentional growth as His disciple.

We describe this journey through three simple words:

- **BELONG:** Find genuine Christian family
- **ABIDE:** Remain in Jesus
- **GROW:** Become more like Him

1. BELONG — Finding Genuine Christian Family

We believe that the Christian life is meant to be lived in community.

At BCC Young Adults, we want you to find a place where you are welcomed, known, loved, and cared for. A place where friendships go beyond Sunday gatherings, where we celebrate together, pray for one another, and walk alongside each other through the joys and challenges of life.

Our sense of belonging is not rooted in our personalities, backgrounds, achievements, or abilities, but in our shared identity in Christ.

We want to cultivate a community where you can build meaningful friendships, be encouraged in your faith, and experience the beauty of belonging to the family of God.

We belong to Christ, and therefore we belong to one another.

2. ABIDE — Remaining in Jesus

“I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing.” — John 15:5 (ESV)

At the centre of everything we do is **Jesus**.

We believe that the Christian life is not sustained by our own strength, religious activity, or good intentions, but through a living and growing relationship with Him.

To abide in Christ means to remain in Him, depend upon Him, and allow every area of our lives to be shaped by His Word and Spirit.

As a community, we want to encourage one another to develop lives rooted in prayer, Scripture, worship, fasting, holiness, and dependence upon the Holy Spirit.

Our desire is that knowing Jesus would become more than something we speak about on Sundays. We want our relationship with Him to shape our everyday lives.

Before anything we do for Jesus comes our relationship with Jesus.

3. GROW — Becoming Like Jesus

Discipleship is a lifelong journey of becoming more like Christ.

As we abide in Him, we grow. Not simply in biblical knowledge, but in character, obedience, love, service, and spiritual maturity.

At BCC Young Adults, we want to grow together through:

- **Biblical understanding:** Becoming deeply rooted in God's Word, growing in sound doctrine, and learning to think biblically.
- **Christlike character:** Allowing the Gospel to transform our attitudes, desires, decisions, and relationships.
- **Accountability:** Building honest friendships where we encourage, challenge, pray for, and sharpen one another.
- **Practical obedience:** Learning to put God's Word into practice in our everyday lives.
- **Serving:** Discovering and using our God-given gifts to build His Church and care for others.
- **Mission:** Growing in confidence to share the Gospel, pray for others, and demonstrate the love of Jesus to those around us.
- **Disciple-making:** Becoming disciples who intentionally help others know, follow, and grow in Christ.

We believe that spiritual growth is not measured simply by how much we know, but by how increasingly our lives reflect Jesus.

Our prayer is that, together, we would become disciples who are rooted in truth, transformed in character, faithful in service, and intentional in mission.

What Does This Look Like in Practice?

Our gatherings are opportunities to put this vision into practice.

Through biblical teaching, meaningful conversations, prayer, practical discipleship, workshops, panels, fellowship, worship nights, meals, social activities, and opportunities to serve, we seek to create an environment where young adults can grow together in their relationship with Christ.

We want our gatherings to be places where you can engage with Scripture, ask questions, build friendships, and explore how the truth of God's Word applies to real life.

Our desire is to see genuine Christian relationships develop, where we encourage one another to follow Jesus not only when we gather, but throughout the week.

Come and Be Part of It!

Whether you have been following Jesus for years, are new to the Christian faith, or are looking for a community in which to grow, we would love to welcome you.

You do not need to have everything figured out before joining us!

Come and belong. Learn to abide. Let's grow together in Christ.
