Games and Activities

PLAY SCHOOL

Have your children pretend to play school. You can set up a pretend classroom with a board to write on and activities to do. Allow your child to lead this activity. Not only will it be fun as you learn together, but they will also reinforce their learning through teaching. Speak about how Jesus both learned and taught.

LOST OBJECTS

For this game, you could either hide objects or use things that are already there. One person pretends to make an announcement. "Ladies and Gentlemen, we have lost, if found, please return it to" the other children should then look for that item in the room as quickly as possible and return it to the correct place or person.

PLANT SOME SEEDS

Find some easy to grow seeds. Cress grows well at any time of the year. Speak about how the seed grows, but we need to water it and give it light.

Reflect on how Jesus grew from a baby and how God wants us to grow in Him.
