# Bible Lesson

Matthew 22 v 1-10  
Parable of the wedding feast

# Key Point

This is a story Jesus told about a father who threw a party for his son. The father wanted the room to be full, so he invited everyone he could find. When the guests came they found a fantastic party with great decorations, music, food and drink – ALL FREE. They did not have to try and earn it, it was all a gift. The point of the story is that God wants us to be part of His kingdom – we don't earn entry, He gives it to us as a free gift.
